Ajampura Club and Reading Room by the Ajampura Municipal
Council, for the construction of the Club Buildings

&& &c&c

In forwarding, herewith, the entire file of records ending
with the Tarikere Sub Division Officer's report No MFR 19/42-43
dated 18th December 1942, on the above subject, I have the honour
to state as follows -

1 The proposal of the Minor Municipal Council, Ajampura,
for the grant of land measuring 100' x 90' in vacant site No 284
of Ajampura Town, at an upset price of Rs 10/- to the Ajampur Club,
for the construction of a building for the Public Reading Room and
the Club, was approved in this office Memo No D Dis A3-C 4209-245/41
dated 10th April 1942. The upset price of Rs 10/- fixed by the
Municipal Council, is reported to have been credited to the funds
of the Municipality on 3-3-1942. The Members of the club have pro-
posed to construct a building at a cost of about Rs 850/- and they
have requested the Municipal Council to contribute a sum of Rs 300/-
towards the construction of the building. The Municipal Council
agreed to pay a sum of Rs 200/-, provided the building after com-
pletion is handed over to the Municipality for maintenance.

2 The Members of the Club have agreed to this suggestion,
subject to the following conditions -

That the maintenance of the building which includes the
upkeep and the annual repairs should be attended to by
the Municipality,

2 That the building should be exempted from the levy of
Municipal Taxes

3 That the Club Hall should be permitted to have two partitions
(without prejudice to the decency of the building) of which
one third portion should be allotted for the in-door activi-
ties of the Club and one third for the public Reading room

Contribution of Rs 200 by the Arrampura Minor and
 4079? for the construction of a Club and Reading Room
 5089/42 - 2 - building

4. That the members of the Club shall have free right to make use of the Club premises for the out-door activities
5. That the Club shall have the right to have its own committee constituted from among the members of the Club for the management of the in-door and out-door activities
6. That the Municipality should guarantee to run the Reading Room at their own cost in the building
7. That the Municipality shall have the right over the building, in case the activities of the Club were to cease
8. That the Club have no objection to invite two members from the Municipal Council for the Managing Committee of the Club and the Reading Room

3. The Municipal Council have again resolved on 26th November 1942 that they are agreeable to abide by the above conditions and that the contribution be paid

4. In the circumstances, I request that sanction of Government may be kindly obtained for the resolution of the Municipal Council, to contribute a sum of Rs 200/- towards the construction of the Club and Reading Room Building at Arrampura, the expenditure in this behalf being met out of the closing balance of the Municipality for the current year

 The question of the Law section might be
 accepted. The point of view of the
 MLC, conditions nos 1, 2 & 6 are very wide
 and the club wants to have all the advantages
 at the expense of the City. It is for the
 future of the Law Secy. 26/1/43

 28/1/43

Law No P 161/42

82. From the P.O.D it is seen that the Hampden Club have bought the land from the Hampden Municipal Council for an upset price of \$10/-

1) The Club members now propose to construct & build a house at a cost of about \$850/- & have requested the Municipality to contribute \$300/- The Municipality are willing to contribute \$200/- provided the building is handed over to members the Municipality for maintenance The Club have agreed, provided the Municipality - Consents to the 8 conditions imposed. Municipality consent to abide by those conditions also to pay \$200/-

10) I cannot understand the statement "handed over to the Municipality for maintenance" - Is it equivalent to condition no 1? Further what is meant by the word upkeep. This word is very vague it must be clarified. Further, "annual repairs" must also be clarified - what about major repairs who is to bear that expense? Since the Statement noted above, I am pointing out that in condition no 1 must be used specific clear so that no future trouble may arise

11) Condition no 2 may be accepted but as condition no 3, it is again vague. The building is proposed to be fortified on $\frac{1}{3}$ portion

but provision is made only for $\frac{1}{3}$ for the indoor activities & the other $\frac{1}{3}$ for public Reading Room - then what about the other $\frac{1}{3}$?

As re. Condition No 4 the words "make use of the club premises for outdoor activities" are not clear & specific. As a matter of fact, I do not find any clause, whenever it is noted that the Members have any right to make use of the said building, or any portion thereof - then they should then be a condition like Condition No 4? This doubt must be cleared. In the same way, they should then be Condition No 5? Condition No 8 may be retained, but it is not properly worded. Perhaps the meaning of Condition No 8 is that 2 Memberal members will be members of the Reading Committee for the Club. The word "to write" is inappropriate in cause leading to future trouble. Condition No 6 also is very vague what is meant by "permission" to run the Reading Room at their own cost - does it mean that the Members have to pay for the Papers, Books, etc. at their own cost?

12) I do not at all approve of the conditions noted above, & if they are approved, there will be endless future troubles, like the Member Club on having

13) Blank spaces in the points noted above may be made

Sir,

With reference to your

dated 6-1-43 requesting sanction
to the ^{resolution} proposal of the Arrampur
Munor Municipal Council to
contribute Rs 200 towards the con
struction of the local club building, I am
directed to state that the ^{the} conditions
proposed to be imposed by the
municipal Council club for hand
over the building to the end of
its completion are defective
for the following reasons -

(a) The Statement - handed over to the Municipality for maintenance is not clear - is it equivalent to condition no 1?

(b) The words 'Keep ^{and annual repairs} ~~it~~ in condition no 1 are vague and they must be clarified

(2) Who will meet the cost of major repairs?

(3) In condition no 3, ~~the~~ one-third of the building is proposed to be used for indoor activities and the other ~~1/3~~ one-third for Public Reading Room activities. How is the remaining one-third going to be used?

(4) The words 'make use of the club premises for out-door activities' are not clear and specific. In fact, the rights of the club ^{to make use of the building} have nowhere been indicated. The purpose of condition no 4 is not clear and it may be indicated.

(6) Condition no 6 is also very vague - What is meant by "Committee to run the Reading Room at their own cost"?

(7) Condition no 8 is improperly worded the word 'will' therein is inappropriate and may lead to trouble in future.
